Devan's remark on one of the drafts :-

"The letter seems to promise a good deal more than the order. Make the two consistent if time."

The draft order is addressed to the I. G. of Prisons, & is intended to remind him of the direction to furnish photographs of convicts hereafter received in jail.

In the last para of the draft-letter, we say that the D. G. of Police has been asked to arrange for obtaining snaps of liberated note-forgers etc etc. ~~He~~ The necessary instructions to this effect were already issued in March last. (Vide Proc.

No 2000 of 21-3-04 & the D. of Agriculture & Endt no. 2001 of 21-3-04 & the Agl Engineers), and in reference to these instructions that reference is made in the day-letter to Mr Hejip.

Hence there is no inconsistency, & the two documents may stand.

C.S.B. No. 562, (a)

Dated Calcutta, the 23rd Febry: 1

My dear Sir,

It would be of value to have on record photographs of persons at present undergoing sentence for forging or uttering forged Government currency notes, together with a brief history each prisoner, and of the case in which he was convicted. These traits should be of two sorts-one full-face and the other in pr and one-tenth of life size.

2. Steps might be taken to have convicts in jails of the named classes photographed at once, and suitable orders might be issed in order to ensure photographs of such persons being obta in the future as soon after their arrest as possible. Six unmc copies of these portraits should be supplied to each Finger Pri Bureau and to the C.S.B.

3. In the case of note-forgers and utterers wh liberated, I would suggest that efforts be made by de obtain snap-shots of them whenever possible.

Yours very truly,

Sd/- D.McCracken.
